Versa Tables Sole Source Justification

General Information

Versa Products, Inc., DBA Versa Tables and Versatables.com, was incorporated in 1999 and is one of the leading manufacturers of high end, American-made furniture for school, office, and home environments. All Versa products come with a lifetime warranty and are made with only the highest quality American materials in Los Angeles, CA. Customers receive free shipping on all orders, and most items are shipped within three business days.

Key Reasons for Sole Source

Versa Products, Inc., DBA Versa Tables and Versatables.com, is a true Factory Direct OEM manufacturing in Los Angeles, California, and selling directly to end users. All Versa Tables and Versa Centers are copyright protected and registered trademarks of Versa Products, Inc.

Versa tables are commercial grade. Constructed with heavy duty, 14 gauge, carbon steel frames, all Versa Table products are rigorously tested to meet or exceed ANSI and BIFMA Ratings. Versa Products, Inc. uses only recycled and tested steel, and all top table surfaces are made with high-pressure, commercial-grade, anti-chip/anti-scratch laminates and backed with high-density MDF 1" boards.

Purchasing agents sourcing any type of Versa Table furniture will be exempt from engaging in a potentially time consuming bidding process since there is only one source for Versa Table products. All products are manufactured in Los Angeles and shipped directly to the end-consumer. No dealers or third-party distributors are authorized to carry the Versa Tables product line, therefore Versa Products, Inc. is the sole source for all Versa Table items. Each table, desk, cart, and rack is unique to the Versa Tables brand and can only be purchased directly from VersaTables.com

Pricing

Versa Tables products may be purchased on www.VersaTables.com or by calling 800-416-3961. Quantity and GSA discounts may apply according to GSA Schedule GS-28F0013R.
